

## *Will you help us raise funds that will allow more children to attend camp?*

Last year Camp Hertko Hollow provided nearly \$200,000 in financial assistance to families who otherwise couldn't have afforded to send their child to camp. While the true cost for one week of Camp Hertko Hollow is approximately \$1,300, we are able to charge a much lower fee thanks to the generosity of the various donors that support camp. It is Camp Hertko Hollow's philosophy that a family's financial situation should never get in the way of their child benefiting from a Camp Hertko Hollow experience. You can help Camp Hertko Hollow by obtaining donations that will directly benefit our campers who cannot afford to pay the full cost of camp.

Please pass this form (see reverse side) around at work, church and ask friends and family to help your camper in this adventure. Place checks/cash in the enclosed plastic zip lock baggie and bring it with you to turn in on the first day of camp.

*Camp Hertko Hollow, Inc. is a nonprofit organization under provisions of Section 501(c)(3) of the Internal Revenue Code and is not affiliated with any national diabetes organizations. Gifts to Camp Hertko Hollow are tax deductible to the extent permitted by current laws. All donors who provide their names, addresses and donation amounts will receive a receipt for their contribution in July of 2021.*

**Prizes will be awarded to the campers raising the most funds each session...**
