

CAMPAIGNER PROSPECT WISH LIST

Team Captains:

The purpose of the Wish List is to allow the Team Captains to submit the names of their potential campaigners along with names supplied by Camp Hertko Hollow and to allow adequate time for the 'Home Port Sailing Crew' to clear names (check for duplicates, etc.). Once the names have been cleared, they will be assigned and pledge cards will be issued and distributed at the Kick-off Rally or in the mail if team crew member is unable to attend. All meetings are very important. Please make every effort to have your crew members attend as well as yourself.

REMINDER: Please make sure all of your crew members have the necessary pledge cards and written information regarding correct procedures for conducting a successful campaign, making the ask and securing the pledge.
