Dear [Name],

As summer draws near, kids across Iowa begin to dream about all the fun and friendships that await them at camp. For children living with diabetes, those dreams come true at Camp Hertko Hollow—a place where kids ages 5 to 17 can safely experience the magic of summer camp while learning how to confidently manage their condition.

Founded in 1968 by Dr. Ed Hertko, Camp Hertko Hollow serves more than 200 campers each year. With opportunities like horseback riding, canoeing, talent shows, and campfires, it's everything you'd expect from a traditional summer camp—but with the added benefit of 24/7 medical supervision and peer support from others who understand life with diabetes. More than just a week of fun, the camp helps children build independence, self-esteem, and essential diabetes management skills.

This summer, my child, **[Child's Name]**, is hoping to attend Camp Hertko Hollow. While every family is encouraged to invest in their child's camp experience, we're also reaching out for support. Financial assistance is available for families with demonstrated need, and that support is only possible through the generosity of individuals, businesses, and community partners like you.

Your contribution can be made in honor of my child, or you may choose to support the general camp scholarship fund so more kids can benefit. All donations go directly toward making this life-changing experience possible for children who need it most. Camp Hertko Hollow is a 501(c)(3) nonprofit organization, and all donations are tax-deductible to the extent allowed by law.

To make a gift, donations can be mailed to the camp office or securely through their website listed below. Please make checks payable to Camp Hertko Hollow. If sponsoring a specific camper, include their name in the memo line.

Camp Hertko Hollow
505 E. Grand Ave.
Suite 200
Des Moines, IA 50309
